**ORDER**

21 On December 12, 2014, the Board filed a motion to dismiss or, in the alternative, motion  
22 for summary judgment to be heard in February. Starski responded, but the Board has not yet filed  
23 a reply. On April 23, 2015, the parties filed a stipulation to continue the hearing until September  
24, 2015, because the Board decided to review Starski's request to reconsider the narrative reason  
25 for his discharge after discovering a procedural deficiency. The Board acknowledged that the  
26 review may render this case and the pending motions moot. Since April 2015, the Board has not  
27 provided the court with any updates. Accordingly, the Board is now ordered to file information  
28 with this court by September 24, 2015, updating the court about the status of the Board's review of  
Starski's request for reconsideration. The hearing will be continued until October 8, 2015.
